## EASTER BOOK STUDY ON THE SACRAMENTS

Join Fr. Andersen in exploring “Easter spirituality”. This might be called a book club reading. Fr. Andersen is leading viewers through the book: The Key to the Doctrine of the Eucharist by Dom. Anscar Vonier, OSB., published at Easter 1925 (100 years ago). Abbot Vonier wrote many books on popular theology covering various topics. His works are in the public domain today and many of them are currently published by various publishers. This work is a discussion of St. Thomas Aquinas on the Sacrament of the Eucharist from Summa Theologica Part III. Fr. Andersen is posting 23 episodes for the 23 chapters of the book on a playlist entitled: “The Key to the Doctrine of the Eucharist” on the parish YouTube channel. Begin anytime and go at your own pace. This is Easter spirituality - flowing out from Holy Thursday, Good Friday and the Resurrection. The book is available to purchase online from various publishers. It is not necessary to purchase and read the book, but it would be helpful and is recommended.
