The LARGEST 40 Days for Life campaign in history begins next month...

"They continue to do these 40-day harassment protests," a Planned Parenthood manager told a local newspaper. "It seems kind of silly." Who said it? Abby Johnson--just a few weeks before her conversion. Abby is now one of the world's most influential pro-life voices and one of 221 abortion workers to quit her job and become pro-life through a 40 Days for Life campaign.

We are gearing up to train hundreds of local 40 Days for Life leaders in Texas this week and will kick off with a prayer vigil in front of the largest Planned Parenthood in the Western Hemisphere.

Please keep us in prayer--and start filling your local vigil NOW by signing up to pray this September 22 - October 31: 40daysforlife.com/portland. Shawn Carney, 40 Days for Life
