Friday, July 1st. 12 Noon: Low Latin Mass. 5 pm: Sung Latin Vespers. 7 pm: Sung Latin Mass.

PHILOSOPHY NIGHT - TUESDAY, JULY 5TH AT 7 PM

This month, Fr. Eric Andersen presents "In What Sense Are Universals Real" or "Is A Table Really A Table?" In the study of Logic, one encounters the *Thing*; the *Idea*; the *Word*; the *Universal*; the *Sign*; the *Term* and the *Predicable*. How do we understand the reality of a table based upon our idea of a table, the word 'table' and the actual thing that is a table? Hmmm. Interesting! Ages high school and up. Snacks provided. No reading ahead is necessary, but if you wish to read ahead, grab any classic textbook on Logic or get a copy of [An Introduction to Foundational Logic](#) by D.Q. McInerney. Published by The Priestly Fraternity of St. Peter, 2012. Parking lot will be open. Talk will be given at 7 pm in Carmody Hall.
